

How to View Your Splunk Certifications

Please always refer to [Credly](#) for secure, accurate, and up-to-date proof of certification (including date of expiration).

Instructions for Customers

1. Log into your [splunk.com](#) account.
2. Click **Support > Support Portal**.
3. Click **Get Started > Certifications**.

Status column shows **Active** (current) vs. **Inactive** (expired).

Certificate and **Badges** columns show options for download.

See [here](#) for more detailed instructions.

Instructions for Partners

1. Log into your [Partner Portal](#).
2. Click **Learn > Certification**.
3. Click **My Certifications**.

Status column shows **Active** (current) vs. **Inactive** (expired).

Certificate and **Badges** columns show options for download.

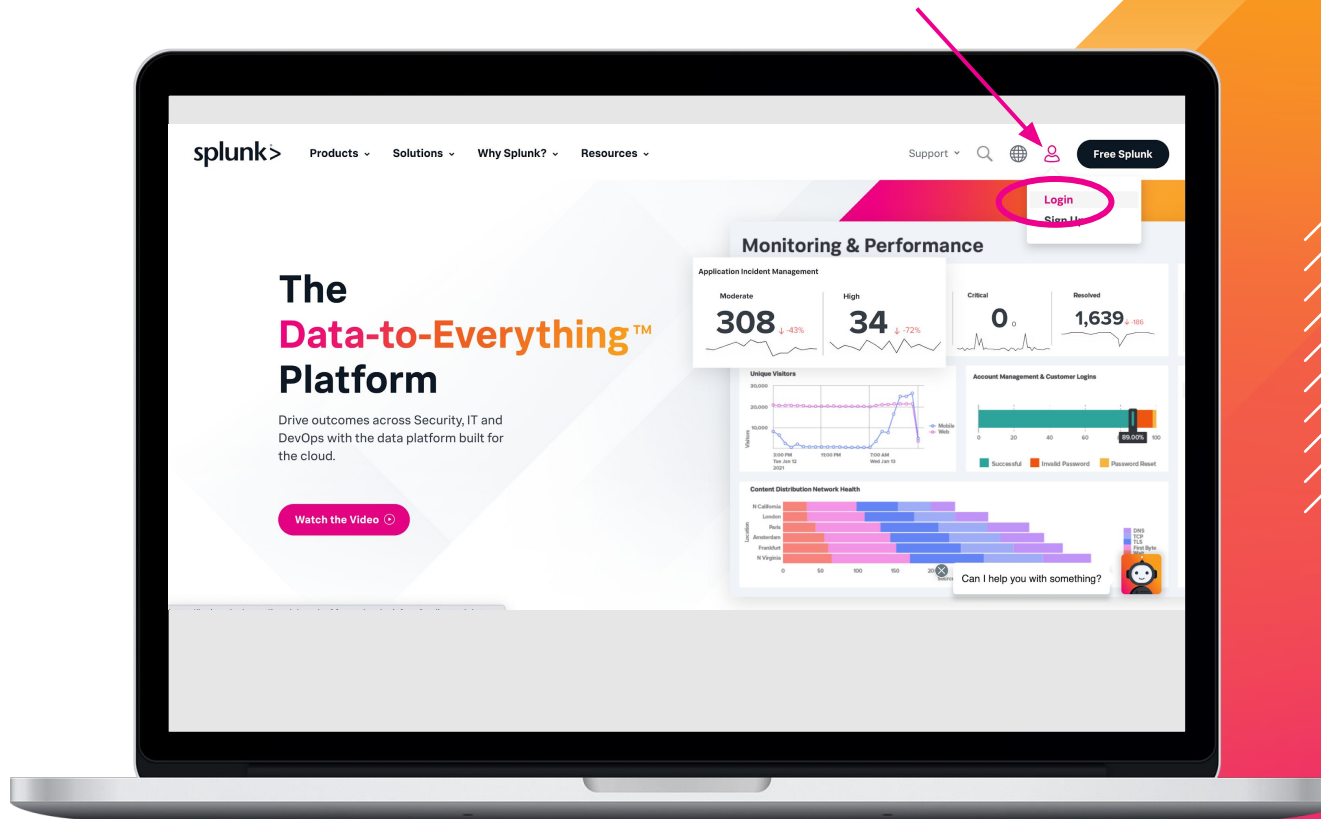

See [here](#) for more detailed instructions.

Quick Links

- For splunk.com login assistance, please contact [Splunk Support](#).
- For Partner Portal login assistance, please contact Partner+@splunk.com.
- Please see our [Recertification Policy](#) for how to keep your certifications current and active.

Instructions for Customers

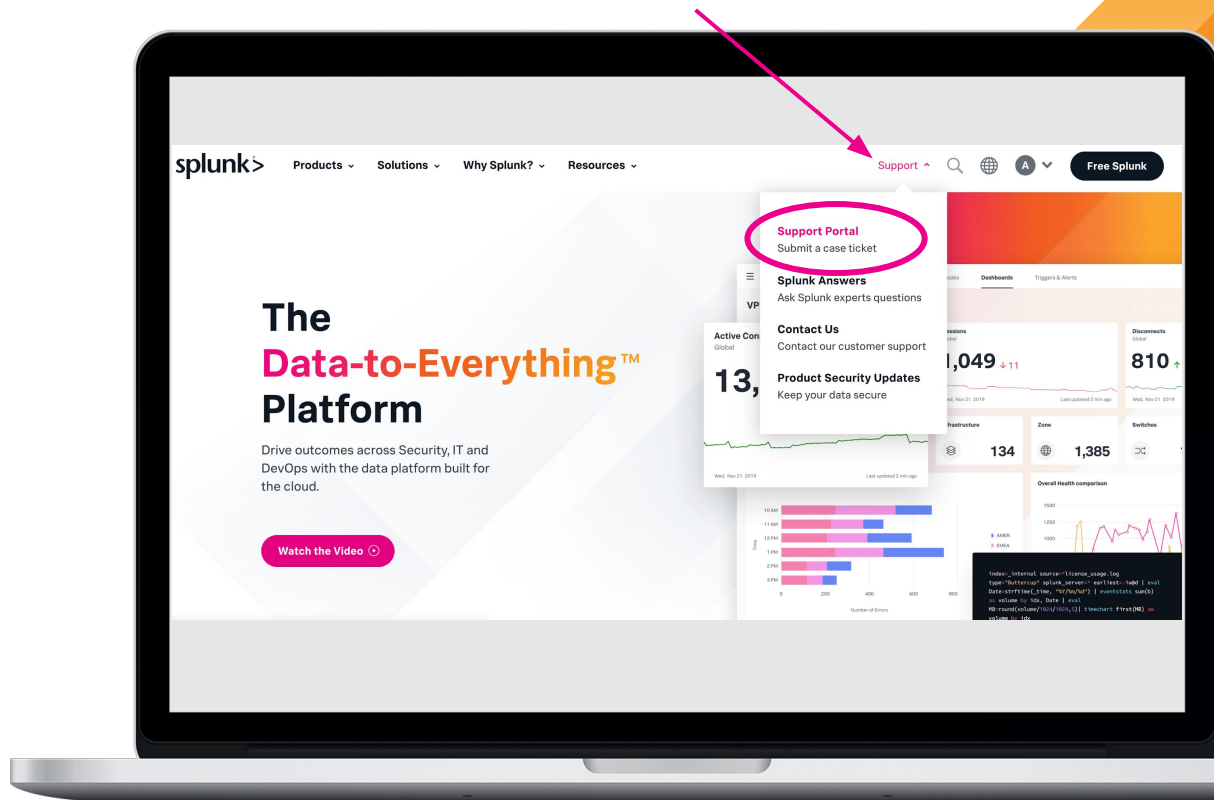

Step 1:
Log into your
splunk.com account.

Instructions for Customers

Step 2:

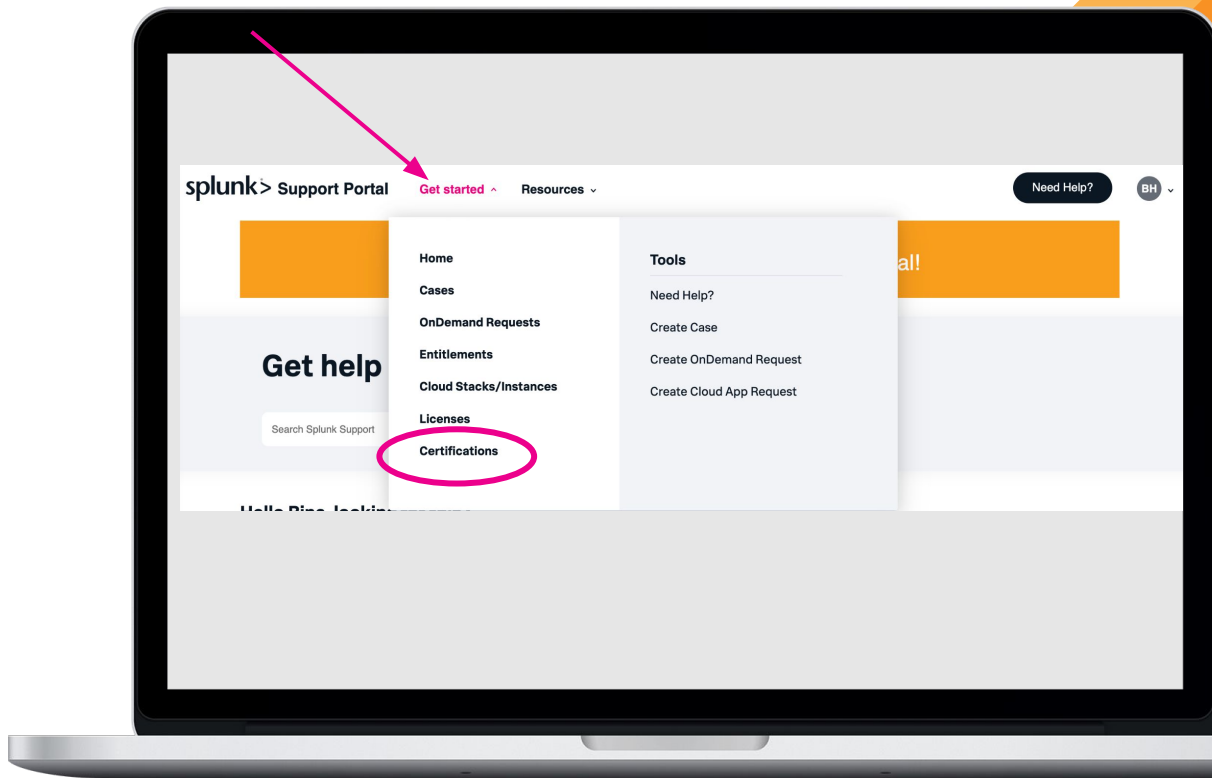

Click **Support** >
Support Portal.

Instructions for Customers

Step 3:

Click on **Get Started** and Select **Certifications**.

Instructions for Customers

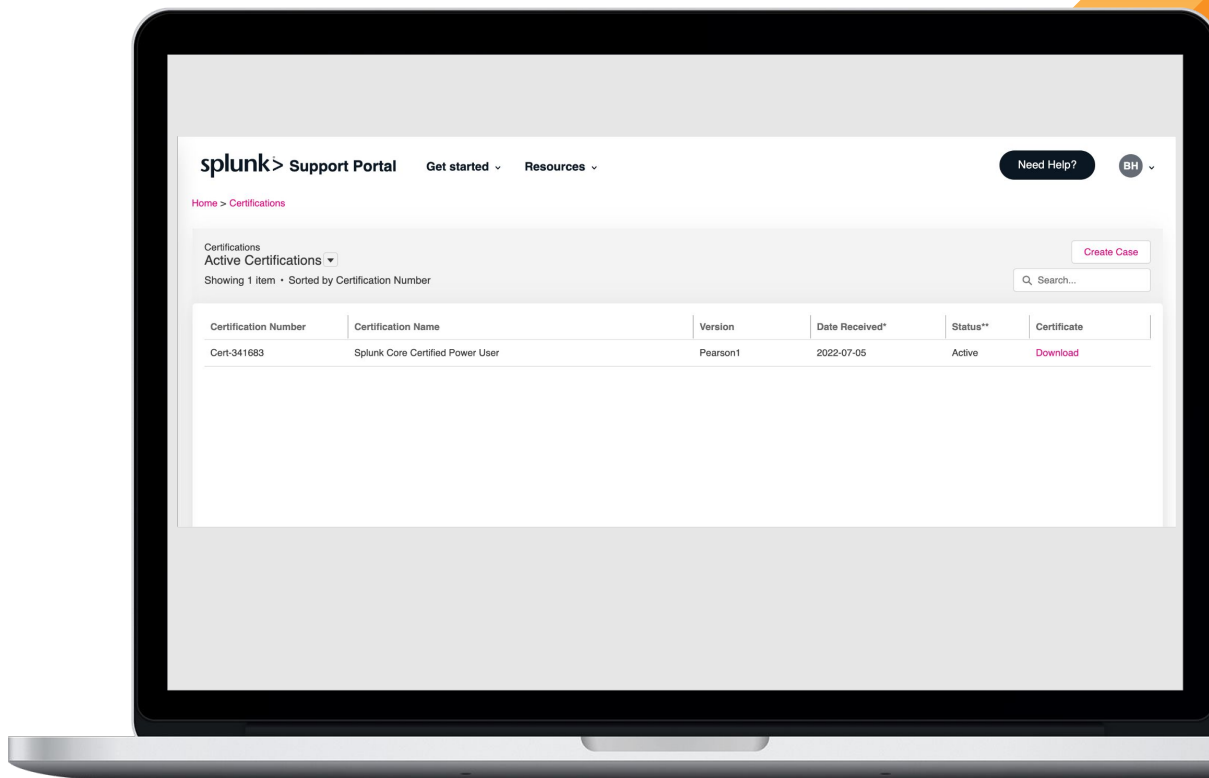

Certifications are grouped under two headings:

- **Active**
- **Out of Date**

By default, the Portal shows **Active** certifications.

Candidates with **Active** certifications can use the Certificate column to download a copy.

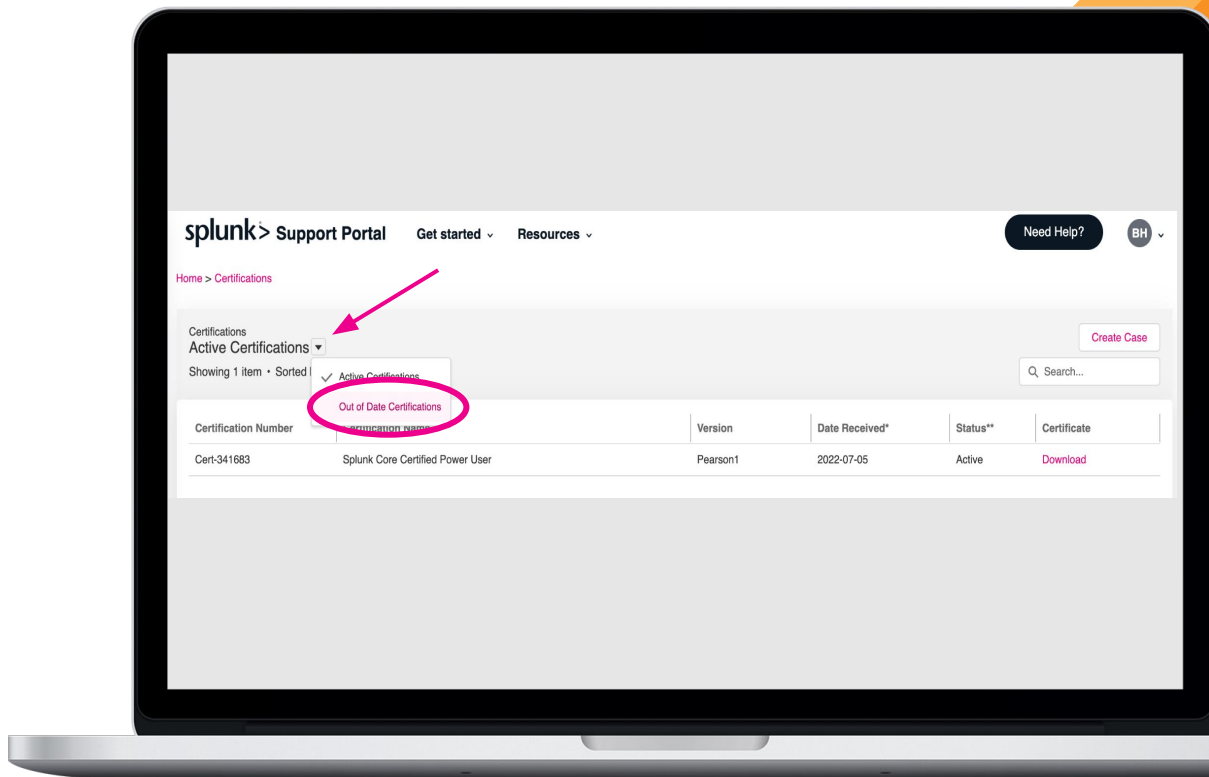

Please remember: **Credly** digital badges are your primary proof of certification.

Instructions for Customers

To view your **Inactive** certifications, **click** on the **arrow** next to Active Certifications. **Select Out of Date Certifications** in the menu.

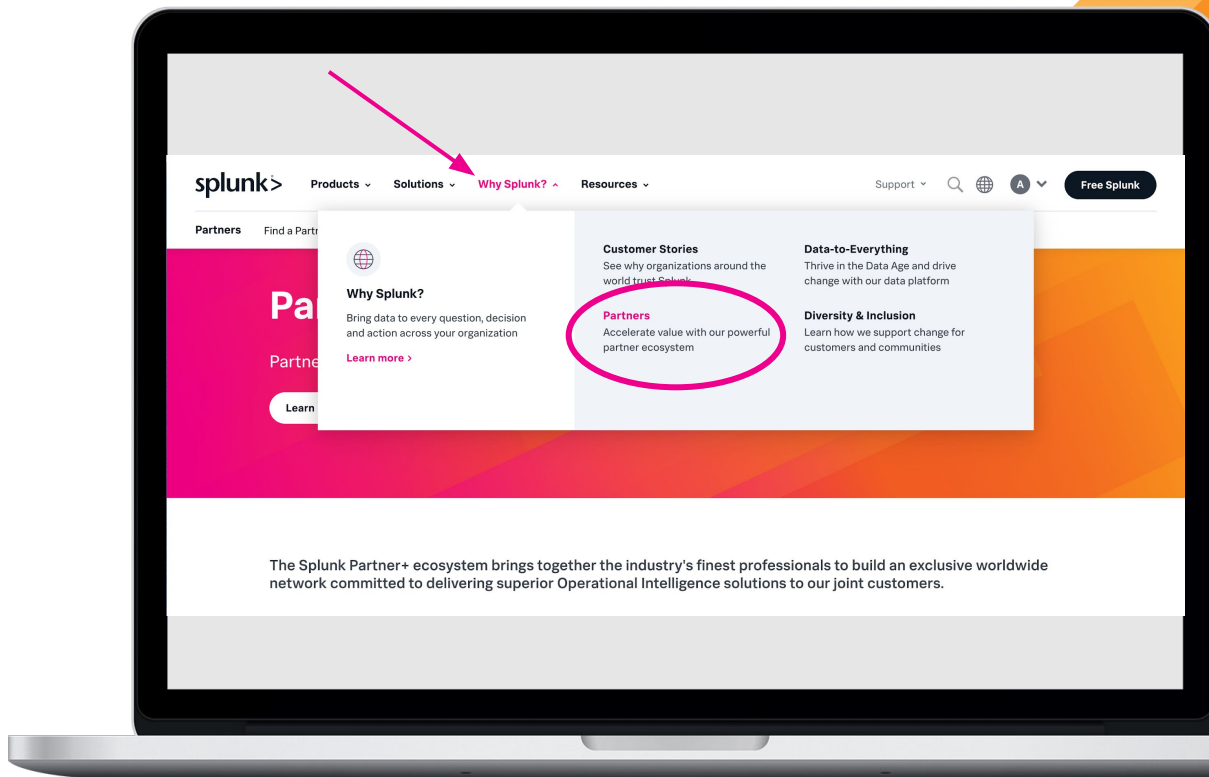

Candidates who wish to regain current standing in the program, but whose certifications have all been marked **Inactive** can click [here](#) for next steps.

Instructions for Partners

Step 1:

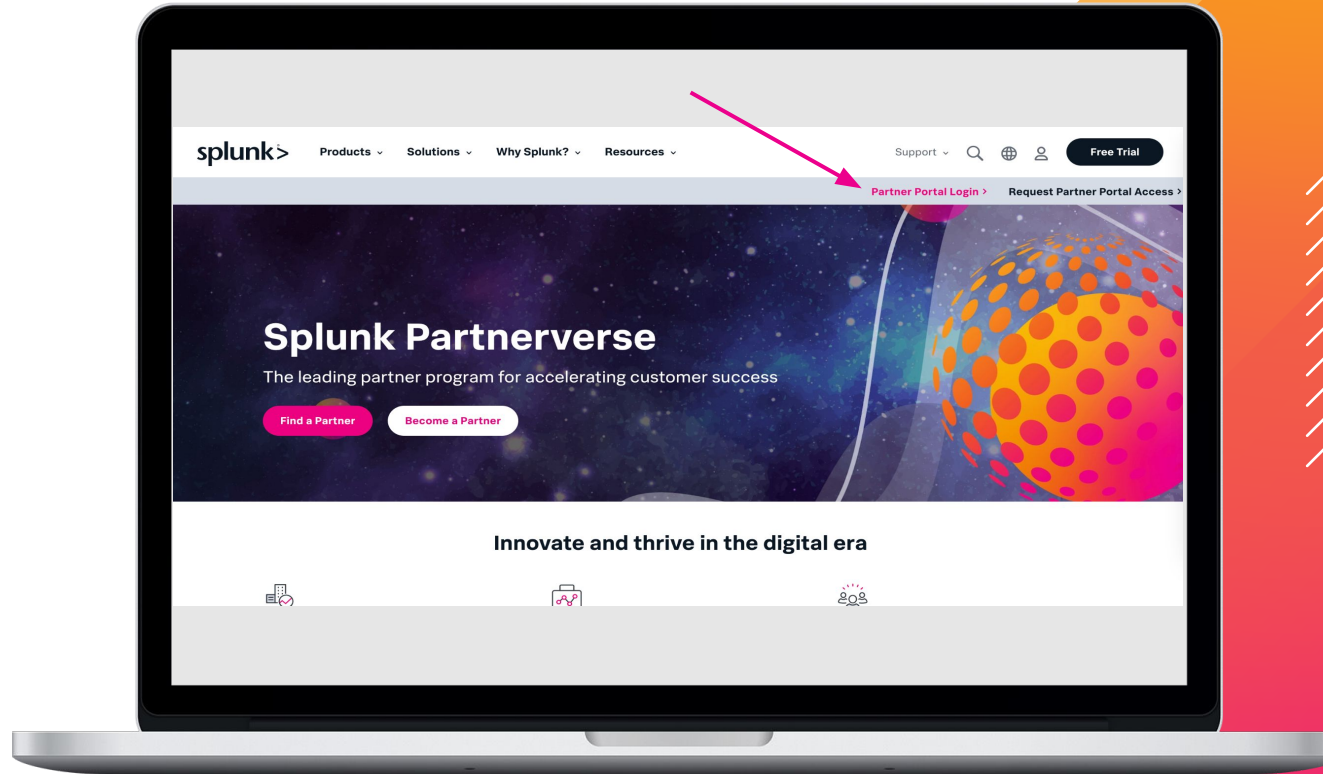

From splunk.com,
click **Why Splunk?**
and select **Partners**.

Instructions for Partners

Step 2:

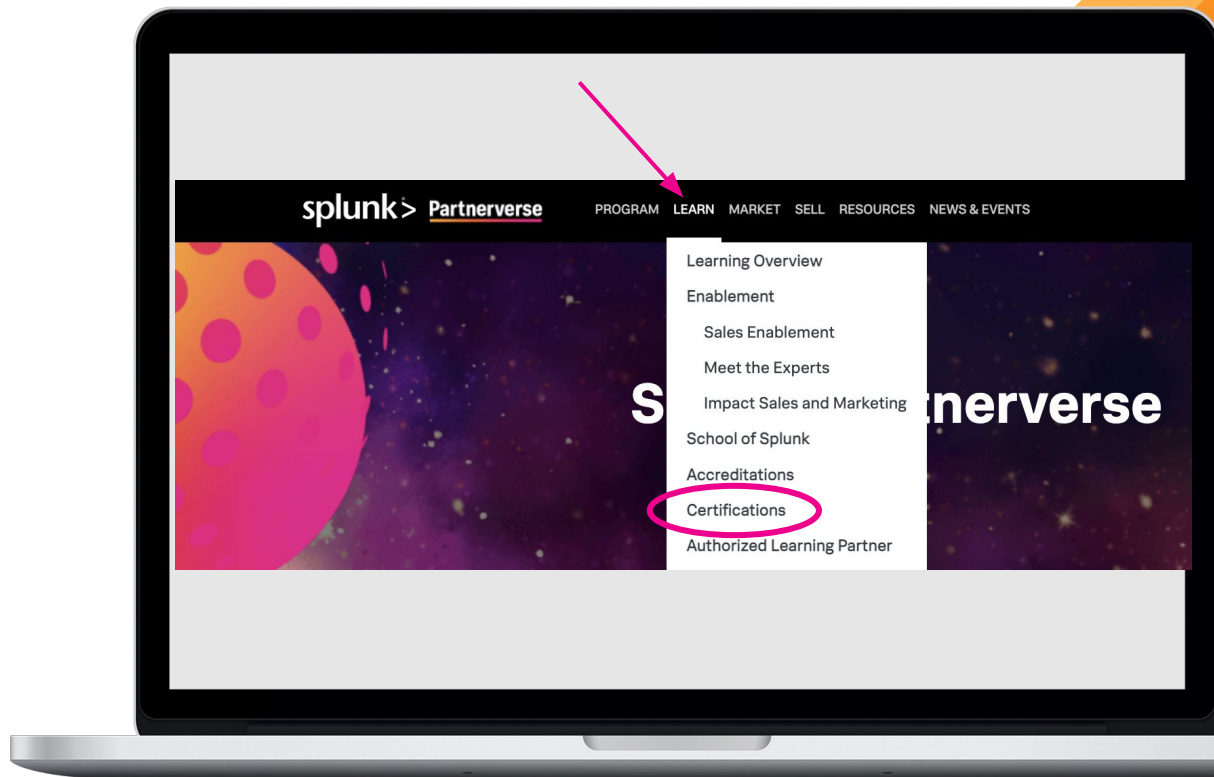

Click on **Partner Portal Login** and login.

Instructions for Partners

Step 3:

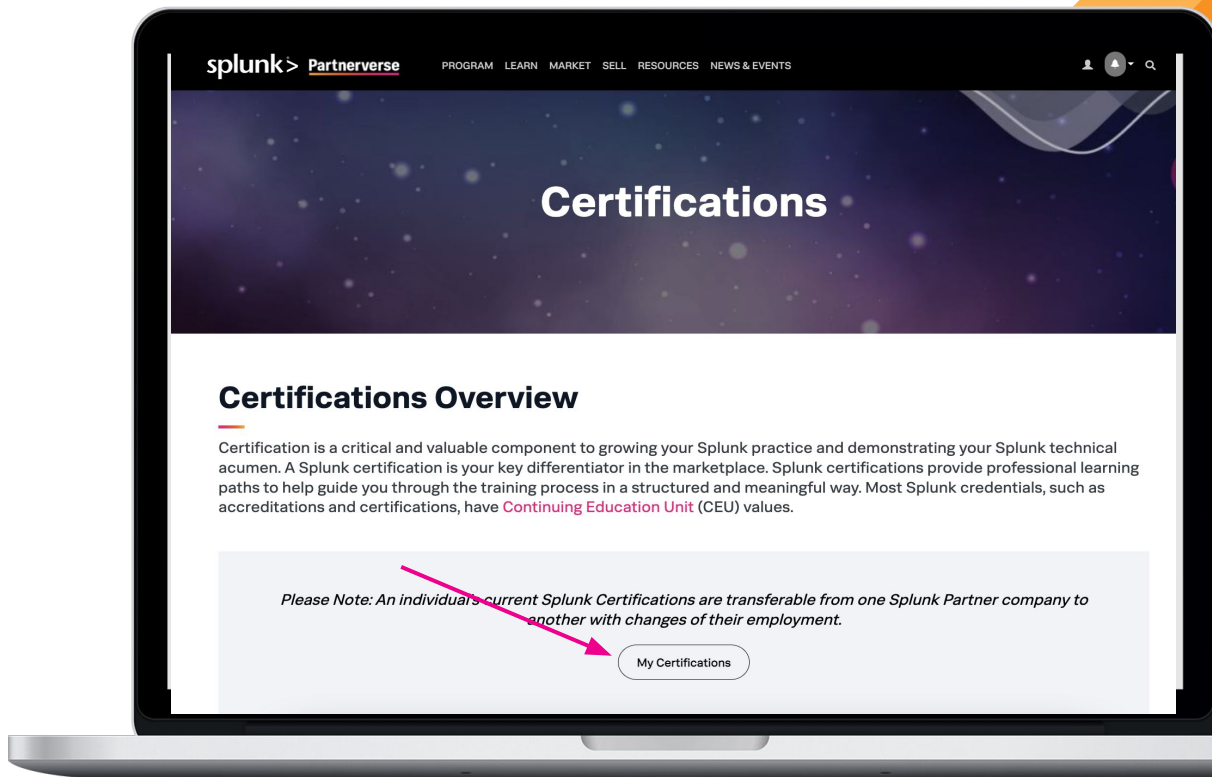

Click **LEARN > CERTIFICATIONS**.

Instructions for Partners

Step 4:

Click **My Certifications**.

Instructions for Partners

See **Status** column for program standing.

Candidates who wish to regain current standing in the program, but whose certifications have all been marked **Inactive** can click [here](#) for next steps.

Candidates with **Active** certifications can use the Certificate and Badges columns to download a copy.

Please remember: [Credly](#) digital badges are your primary proof of certification.

For questions regarding the Accreditations program, please contact accreditations@splunk.com.
