

# Kickstart your Journey with Splunk Education

Start with these **FREE** introductory training courses:

- 1 [What is Splunk?](#) (FREE)
- 2 [Intro to Splunk](#) (FREE)
- 3 [Using Fields](#) (FREE, EWL, ILT)

- 4 Choose courses from a **core learning path**

## Search Expert

- |   |                |
|---|----------------|
| <input type="checkbox"/> <a href="#">Visualizations</a>                     | FREE, EWL      |
| <input type="checkbox"/> <a href="#">Working with Time</a>                  | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Statistical Processing</a>             | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Comparing Values</a>                   | EWL, ILT       |
| <input type="checkbox"/> <a href="#">Result Modification</a>                | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Leveraging Lookups and Subsearches</a> | EWL, ILT       |
| <input type="checkbox"/> <a href="#">Correlation Analysis</a>               | EWL, ILT       |
| <input type="checkbox"/> <a href="#">Scheduling Reports and Alerts</a>      | FREE, EWL      |
| <input type="checkbox"/> <a href="#">Search Under the Hood</a>              | FREE, EWL      |
| <input type="checkbox"/> <a href="#">Multivalue Fields</a>                  | EWL, ILT       |
| <input type="checkbox"/> <a href="#">Search Optimization</a>                | EWL, ILT       |

**Search Experts** write advanced searches, perform forensics and analytics, may staff a help desk for search-related assistance, and create dashboards and alerts.

## Knowledge Manager

- |  |                |
|--|----------------|
| <input type="checkbox"/> <a href="#">Intro to Knowledge Objects</a>  | FREE           |
| <input type="checkbox"/> <a href="#">Creating Knowledge Objects</a>  | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Creating Field Extractions</a>  | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Enriching Data with Lookups</a> | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Data Models</a>                 | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Introduction to Dashboards</a>  | FREE, EWL, ILT |
| <input type="checkbox"/> <a href="#">Dynamic Dashboards</a>          | EWL, ILT       |
| <input type="checkbox"/> <a href="#">Creating Maps</a>               | EWL, ILT       |
| <input type="checkbox"/> <a href="#">Search Optimization</a>         | EWL, ILT       |

**Knowledge Managers** create & manage knowledge objects to help interpret, classify, and enrich data, build & accelerate data models, and configure summary-based reports.

These courses are shown in a recommended order, but can be mixed and matched between paths or completed in partial order.

Some courses are offered in more than one modality option, which are identified next to the course:

- FREE = free eLearning no labs
- EWL = eLearning with labs (\$300)
- ILT = instructor-led training (\$500)
