

Splunk Authorized Learning Partners

Authorized Learning Partners (ALP) are the trusted source for up-to-date Splunk Education. Splunk ALPs deliver, curate and customize authorized training to meet the needs of Splunk Customers and Partners in different modalities, globally! Whether you are looking for multi- or single-topic training courses, in-person or virtual training, ALPs will deliver.

Official Training Partners

Splunk Authorized Learning Partners are the official organizations for Splunk Education. Splunk hand-selected these partners based on their expertise and technological advancement in the learning industry.

Modernized Curriculum

ALPs deliver the full Splunk training curriculum! Our ALPs are meticulously trained and will provide customers and partners with the most up-to-date content in a format that suits any learner.

Seamless Training Experience

Splunk believes that a well-trained end user is a successful end user. So regardless of where you are located, you will receive a state-of-the-art training experience in the language of your choice.

Why ALPs...

Grow
Training capacity

Expand
Enable business growth & scale

Deliver
Training where and when needed
