[Intro to Splunk](#)

3

[Using Fields](#)

Choose courses from a **core learning path**.

## Search Expert

<input type="checkbox"/> <a href="#">Scheduling Reports and Alerts</a>	free eLearning
<input type="checkbox"/> <a href="#">Visualizations</a>	free eLearning
<input type="checkbox"/> <a href="#">Working with Time</a>	1 credit
<input type="checkbox"/> <a href="#">Statistical Processing</a>	1 credit
<input type="checkbox"/> <a href="#">Comparing Values</a>	1 credit
<input type="checkbox"/> <a href="#">Result Modification</a>	1 credit
<input type="checkbox"/> <a href="#">Leveraging Lookups and Subsearches</a>	1 credit
<input type="checkbox"/> <a href="#">Correlation Analysis</a>	1 credit
<input type="checkbox"/> <a href="#">Search Under the Hood</a>	free eLearning
<input type="checkbox"/> <a href="#">Multivalue Fields</a>	1 credit
<input type="checkbox"/> <a href="#">Search Optimization</a>	1 credit

**Search Experts** write advanced searches, perform forensics and analytics, may staff a help desk for search-related assistance, and create dashboards and alerts.

## Knowledge Manager

<input type="checkbox"/> <a href="#">Intro to Knowledge Objects</a>	free eLearning
<input type="checkbox"/> <a href="#">Creating Knowledge Objects</a>	1 credit
<input type="checkbox"/> <a href="#">Creating Field Extractions</a>	1 credit
<input type="checkbox"/> <a href="#">Enriching Data with Lookups</a>	1 credit
<input type="checkbox"/> <a href="#">Data Models</a>	1 credit
<input type="checkbox"/> <a href="#">Introduction to Dashboards</a>	free eLearning
<input type="checkbox"/> <a href="#">Dynamic Dashboards</a>	1 credit
<input type="checkbox"/> <a href="#">Creating Maps</a>	1 credit
<input type="checkbox"/> <a href="#">Search Optimization</a>	1 credit

**Knowledge Managers** create & manage knowledge objects to help interpret, classify, and enrich data, build & accelerate data models, and configure summary-based reports.

- These courses are shown in a recommended order, but can be mixed and matched between paths or completed in partial order.
- Each course is 3 hours or less in duration and have replaced the Fundamentals 1-3 series, Creating Dashboards, and Advanced Searching & Reporting.
- If you began your learning journey with the legacy courses listed above, please click [here](#) for detailed recommended next steps.
